Subject
Leon County Baker and Marchman Acts

Mr. Harmsen:

The following is my understandings in regard to facilities in re the above acts. Please indicate if my understandings are correct or not.

1) That Leon County is a part of DCF's region 2(B), and that DCF has designated one facility, Apalachee Center, Inc., as a Public Receiving facility under 394.461 and 65E-5.350. Two Facilities are designated as private receiving facilities: Apalachee Center - Eastside and Tallahassee Memorial Hospital (TMH).

2) I understand from the TMH CEO that TMH is required by virtue of its hospital license under AHCA (395 et seq) F. S, to accept public patients under the Marchman provisions.

I appreciate your time in responding to my request. Thank you for your prompt attention.

Joe Sharp, Director
